

## VI Partners - Intern Healthcare Team

VI Partners AG ([www.vipartners.ch](http://www.vipartners.ch)) is a private partnership with an extensive history and successful track record of investing in start-ups. We advise **one of the first Swiss venture funds**, Venture Incubator, which is backed by the top Swiss multinationals. The team is both cohesive in cooperation as it is independent in execution. As part of our **Healthcare team**, you will work with senior, experienced entrepreneurs/ venture capitalists who have an exceptional network to build our Healthcare/ Life Sciences investment portfolio.

### Required skills:

- Initial Venture Capital or industry experience (therapeutics, medical devices, diagnostics, or digital);
- Strong analytical and communication skills;
- Team spirit;
- Entrepreneurial mindset.

### We are looking for:

- A curious minded individual who values results-oriented work;
- An individual with initial work experience within the Healthcare/ Life Science industry;
- Ability to identify and understand disruptive technologies/ business models
- Functional experience (research, clinical development, licensing, business development, finance, transaction skills) a plus;
- Entrepreneurial and start-up experience a plus;
- Strong scientific credentials (PhD in biology, pharmacy, chemistry or similar);
- Down to earth personality;
- Excellent networker;
- An individual who is a self-starter, very good communicator (written and verbal), and team player;
- An individual who appreciates a creative environment;
- Fluent in English.

### Job profile:

- Source investment opportunities;
- Assess and evaluate new trends, screen innovations and evaluate business plans;
- Manage deal flow, support due diligence processes, structuring, contract negotiations and completion of venture transactions;
- Create investment recommendations and reports;
- Support investor relations with research, reports and communications;
- Contribute to VI Partners team dynamics in a constructive and authentic manner.
- Office location: Greater Zurich area
